PRIME MINISTER • PREMIER MINISTRE

I would like to convey my warmest greetings to everyone celebrating the 30th anniversary of the Korora Choirs Association.

Since 1996, members of the organization's eight choirs have entertained audiences throughout Edmonton and around the world with their harmonious melodies and wide-ranging repertoire. This milestone offers a wonderful opportunity to reflect upon the association's proud history and achievements.

I would like to thank the members of the Korora Choirs Association for sharing their talents and passion for music with the community.

I wish you all a wonderful anniversary and continued success.

The Right Honourable Mark Carney, P.C., O.C., M.P.  
Prime Minister of Canada

Ottawa  
2026

**Message from the  
Lieutenant Governor of Alberta**

On behalf of His Majesty the King, I welcome everyone to this celebratory concert in honour of the 30<sup>th</sup> anniversary of the Korora Choir Association. It is certain to be a wonderful performance.

I believe choral singing to one of the most beautiful forms of music ever invented. No matter what composition is being sung, I never fail to be moved by the sound of so many individual voices coming together to create something bigger than any one of them could create on their own. To see a top-notch choir perform is to understand what we humans are capable of when we work together in harmony.

For thirty years now, Korora has been doing just that: sharing their music with eager audiences around the world, from Norway to South Africa, to every province in Canada and much of the United States, including Carnegie Hall. Through their children's and youth choirs, Korora has also nurtured a love of music and performance among generations of Albertans.

As His Majesty the King's representative in Alberta, I congratulate Korora and its founder and artistic director Scott Leithead for building this wonderful organization, and for affirming the power and beauty of music.

Her Honour, the Honourable Salma Lakhani, AOE, BSc., LLD (hon)  
Lieutenant Governor of Alberta

Founded in 1996, Korora celebrates its thirtieth season in 2025–2026. The flagship ensemble of Korora Choirs, Korora has received first and second place on Canadian national festival stages. The choir also placed first in their division in the CBC/Choral Canada Competition for Amateur Canadian Choirs in 2015. Korora has received several awards for its work with youth, music education, and its African Projects Fund. While Korora takes pride in these accomplishments, the choir's focus remains centred on creating a learning experience for young singers while providing audiences with exciting and innovative musical performances.

Korora has been a featured ensemble at many events both nationally and internationally. These include the Rocky Mountain National Music Festival, Podium (the biennial conference of Choral Canada), the Canadian Music Educators National Conference, the regional conference of the American Choral Directors Association (ACDA), the International Society of Music Educators (ISME) conference, and others. In addition to performances in many North American cities, the choir has toured Norway, Denmark, Sweden, Germany, Italy, Switzerland, Malaysia, Namibia, South Africa, Botswana, Eswatini, and Zambia.

Korora is thrilled to have been invited as a featured ensemble at the IFCM World Choral Expo in Lisbon, Portugal in July 2019. In July 2026, Korora will travel to Italy and Switzerland to sing in the Lake Garda festival.

Centering authenticity and expressiveness in performance, Òran is the busiest adult choir in the Korora Choirs family. Along with many Korora alumni, the group has singers from many other walks of life, but all share a passion for choral music and singing. Òran has garnered a growing reputation for excellence in choral singing as well as innovative and eclectic programming.

Òran has toured extensively over its twenty-three seasons, with destinations including the Northwest Territories, Newfoundland & Labrador, Nova Scotia, Quebec, Cuba, Germany, France, and the Czech Republic. The choir has also been honoured by two invitations to sing at Podium, Canada's biennial national conference for choral music. Closer to home, Òran is thrilled to share the stage with the Edmonton Symphony Orchestra a few times every season. This season, they'll travel west to Nelson in early June 2026, with a major international tour planned for July 2027.

Shumayela, a choir for treble and changing voices, continues to expand its horizons, develop its membership and satisfy a variety of musical tastes. The choir has toured throughout British Columbia and Alberta, performed in Ottawa at the Unisong festival for Canada Day, and in May 2016 the group was featured at the prestigious biennial choral conference for Canada, Podium.

Recent highlights include a tour to New York City to sing at Carnegie Hall in the spring of 2019, and then a performance as special guests of the Alberta Children's Choir in 2022. Wherever the choir travels, they spread the joy of music-making and hope to bring communities together through song.

Korora's auditioned children's ensemble, Kikimasu, was founded in 2009. Kikimasu, pronounced KEE-kee-mahs, is a Japanese word meaning, 'to hear, to listen, to ask.' This choir, comprised of singers ages 9 through 12, tackles more challenging music than our non-auditioned children's choir, Tamariki. Kikimasu delves into music of all genres, from classical to pop, sung in unison to three- and four-part treble harmony. Ms. So skillfully weaves a creative methodology, rooted in Orff, Kodaly and eurythmics, to foster beautiful singing and engaged learning. Our one hour, forty-five minute rehearsals fly by in the blink of an eye!

Korus is a brand-new ensemble for singers aged 15 to 24 in the Korora Choirs family, under the direction of Artistic Director Scott Leithead.

Focused on reducing barriers to singing for youth, Korus provides a fun, exciting, and growth-focused rehearsal and performance experience. The group rehearses once weekly, learning and performing diverse and engaging repertoire. Korus shares the same values, energy, and goals as all our choirs, embracing the limitless potential of every singer.

To ensure maximum accessibility, fees are lower for this ensemble; however, bursaries are also available.
